# Entertain & Essentials

**NEW!**

Scale built with high precision sensor system, provides you with instant and accurate results!

Constructed with a high-quality stainless steel platform and ABS plastic frame, this pocket food scale is ultra compact but durable and easy to clean.

There are two sizes of trays that come with the scale which can be used as a container to measure food, powder, coffee and much more!

- The "M" function is to change the unit: g/ct/dwt/ozt/oz/gn/ml/tl/lb
- The "PCS" function allows you to count the number of fruit, nuts, chocolate, etc.
- The "T" button provides net weight. You can subtract the weight of the plate or container as well, making it easy to get accurate readings!

**Padded textured neoprene on the outside grips items without slipping**

**Polyester on cuff and inside lining**

a.

**Includes clear blade cover for safe storage**

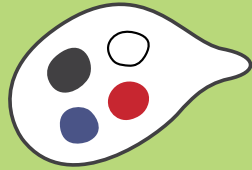

**Food Grade 430 stainless steel**

**Blade detaches completely for easy cleaning**

b.
