Wine Wings

Let your Wine Take Flight

Introducing RIEDEL's newest collection of varietal specific drinkware. Reminiscent of the wings of an aircraft (complete with winglets!) each glass has a unique curved shape that is designed to optimize the flavours and aromas of the popular grape varieties each shape represents.

Barista Collection

Double Wall Borosilicate Glasses

Taste the difference! Enjoy your drink of choice in any one of the stylish Barista Collection glasses DezineCorp has to offer. Made of top quality borosilicate glass, they are as durable and heat resistant as they are elegant. The double wall glass prevents condensation or sweat on the mugs and cups, meaning no more drips and no more messy condensation left on the table. Being double walled and thermo insulated, the Barista Collection of glasses stylishly keeps hot drinks hotter and cold drinks colder for longer while remaining comfortable to the touch.

*LEVEL UP YOUR HYDRATION WITH THE NEW **ICEFLOW™ FLIP STRAW COLLECTION***

Made for serious hydration, Stanley's new vacuum-insulated collection of Jugs, Tumblers, and Water Bottles is ideal for workouts, dog walks, car camping, beach days, road trips, job sites, or the backyard hammock. Whatever your plans, this heavy-duty gear will keep the chill going. With Stanley's legendary 1/8 stainless steel and double-wall vacuum insulation, your water will stay fresh and cold for hours. Or iced for days. Each Jug, Tumbler, and Water Bottle features a leakproof lid with a built-in straw and an easy grip handle for grab-and-go hydration. Toss your gear into your bag or backpack. No leaks, no worries.

Master SERIES

ULTIMATE + UNRIVALED

For the pro's pro, the toughest of the tough and those who demand the very best, our Master Series offers unrivaled durability and thermal retention. A century of know-how meets state-of-the-art in every detail.

QUADVAC™ TECHNOLOGY

Adds a double layer barrier to double wall vacuum insulation. The four layers add protection from convective, conductive and radiant energy transfer. QuadVac™ insulation locks in heat or cold better than any other technology out there.

MASTER SERIES FEATURES + COLOR SYSTEM

All Master Series products are 1.0 mm 18/8 stainless steel, BPA-free, and dishwasher safe. The series includes a wide range of leakproof, packable, and car-cup compatible products.
