A note from Starline regarding our 2022 brochure pricing and U.S. government tariffs

The pricing reflected in this brochure is intended as a REFERENCE TOOL ONLY. Pricing is subject to change at any time and certain items may reflect an additional surcharge due to government tariffs and circumstances beyond our control. Please always refer to www.starline.com to confirm current pricing, product info and PROP 65 information.

Orders Shipping to the USA: Because of the uncertainty of current/proposed government tariffs, we have chosen not to build any additional charges into our 2022 item pricing. If it becomes necessary, we will add-on any additional charges as a "tariff surcharge." This will allow us to address changes real-time on our website should the status of the tariffs change or become obsolete during our selling season. Our goal remains to provide you access to the most up-to-date and accurate information possible. In addition to our website, our dedicated sales and customer service teams are ready to assist you with any questions that you may have. Distributors, please contact customerservice@starline.com for assistance.

Seek Out Adventure. Demand Quality.
